## Designer Student

**Full Name** – Hirusha Tharuka Sandaruwan Kumarasinghe.

## Profile

Hirusha Tharuka Sandaruwan Kumarasinghe

I am a performing and self-motivated person with great interests in IT, design and development. I actively strive to gain new knowledge through self education and practice as per my time availability.

Having worked for one year as a cashier in a supermarket and grant in aid business I have overall developed competencies of responsibility, reliability as well as customer relationship managerial skills. I have a special interest in designing basic building concepts and in the creation of personal connections.

I am ready to put my skills as well as passion, into practice in the field of IT or design. It would be an honor for me to evolve in your company and to simply have an opportunity to make a contribution to the greater good of the organization.
